

# KATY'S FIRST

BAPTIST CHURCH

Katy's First Baptist Church,

In our last update we asked for prayers for our Pastor Search Committee members, our church, and our next pastor and his family. Thank you to all that have committed to being in continual prayer as we seek God to reveal the man He is calling to be our Senior Pastor. Please continue to pray as we rest on His promises, for we know that all things work together for good for those who are called according to His purpose (Romans 8:28).

During the month of February, the search committee began conducting listening sessions in the adult Bible study classes. These sessions are an opportunity for the search committee to hear from the congregation on the qualities and characteristics we are looking for in our next Senior Pastor. We have been encouraged by all the great discussions and are thankful to everyone that has participated so far. These sessions will continue through the month of March and conclude on April 2<sup>nd</sup>. Please reach out to any Pastor Search Committee member or church staff if you are not a member of an adult Bible study class but would like to participate in one of the upcoming listening sessions.

The Pastor Search Committee has also reviewed and approved the Senior Pastor job description that was drafted by the Personnel Committee. We want to recognize and thank the Personnel Committee for the time and effort they put in to complete that task. This job description will be used to post the open position online at various pastor search websites including those of the national and state Southern Baptist Convention as well as select seminaries that provide alumni services.

We continue to draft the community, church, and pastor profiles that were mentioned in the previous update. This information will be also used in describing our church and community in the online job postings.

Our next update, Lord willing, we will announce that we have posted the position online and have begun the process of accepting resumes. At that time, we will also solicit resumes from the congregation for any church members that know and recommend a pastor for the position.

As a reminder, if you have any questions on the process, please reach out to any Pastor Search Committee member. We view our participation as a service to God and the church and continue to be thankful for the opportunity to serve in this way. The member list and all updates can be found at [katysfirst.org/pastorsearch](http://katysfirst.org/pastorsearch).

For His Glory,

Brent Brewer  
Pastor Search Committee Chairman
